I understand that I am subject to all applicable codes, laws, statutes and ordinances; am subject to any conditions of this permit; understand that the issuance of this permit creates no legal liability, express or implied, on the state, municipality or inspection agency; and certify that all the above information is accurate. If one acre or more of soil will be disturbed, I understand that this project is subject to ch. NR 151 regarding additional erosion control and stormwater management and the owner shall sign the Cautionary Statement to Owners Obtaining Building Permits statement on page 2 if not signing below. I expressly grant the building inspector, or the inspector's authorized agent, permission to enter the premises for which this permit is sought at all reasonable hours and for any proper purpose to inspect the work which is being done.										
I vouch that I am or will be an owner-occupant of this dwelling for which I am applying for an erosion control or construction permit without a Dwelling Contractor Certification and have read and signed the cautionary statement regarding contractor responsibility on the reverse side of the last ply of this form.
